FOR IMMEDIATE RELEASE

Krapfl Joins ANIMART as Global Sales Support

Beaver Dam, WI – ANIMART, LLC is pleased to announce the recent addition of Amanda Krapfl to the Global Sales department of the dairy and livestock division, which provides animal health products, supplies and solutions to producers.

Krapfl's hire rounds out a newly structured Global Sales Team. She will work with other team members to support the success and unique needs of international customers.

Krapfl grew up in Lomira, Wisconsin with a love for animals that goes back to when she was just a little girl. Her passion led her to show horses and participate in FFA during high school. She then went on to attend the University of Wisconsin – River Falls and graduated with a degree in Animal Science.

"I'm excited to be here at ANIMART, not only for the opportunity to learn and grow with the company, but also to use my knowledge and experience to then help producers successfully grow their businesses." said Krapfl.

Amanda continues to foster her passion for ag away from work as well. She still takes part in showing horses at the Broken Cinch Saddle Club and has one horse of her own. When time allows, she enjoys helping at her boyfriend's family dairy farm.

“We’re fortunate to have dedicated people like Amanda to support our international customers,” said Dan Ellsworth, President & CEO of ANIMART. “Her passion for ag and desire to grow with ANIMART will be an asset to the Global Sales Team, as well as to the customers who count on them.”

Established in 1982 and headquartered in Beaver Dam, Wis., ANIMART, LLC is a provider of animal health products, supplies and services for dairy and livestock producers worldwide. ANIMART is committed to offering a full-line of products supported by outstanding service. More information about the company and its products can be accessed at www.animart.com.
